updated 03/15/2018

Welcome

We are delighted that you have chosen us as your childcare provider. We strive to provide an excellent care and learning experiences at an affordable prices.

About us

Noah’s Ark Christian Learning Center was established in 2000 (then a non-profit childcare center); changed its status and name in 2006. It is managed by its original owners. Also, it is licensed by Boise City and complies with all its standards and requirements.

Noah's Ark is open 20 hours per day (4:00am to 12:00 am), Monday thru Saturday.

Noah’s Ark Christian Learning Center accepts children from 6 weeks up to 12 years of age, regardless of race, creed, color, sex, nationality or religion, and any who may benefit from our program. We offer full and part time care, before and after school care, as well as summer program for our school age children. We provide transportation to Valley View, Morley Nelson, Horizon and Summerwind schools.

Our staff

All staff members are licensed by Boise City (fingerprinted and undergo a federal and state background check prior to being licensed); and are CPR and First Aid certified. Our staff also participate in the Idaho STARS program "Steps to quality" in order to remain educated to the ever-changing needs of today's families. Annually, each of our staff members are required to complete 15-20 hours of training.

Our Philosophy

The center’s purpose is to provide an atmosphere that encourages social, emotional, physical and intellectual growth and development of the child as whole. Our learning program is based on Developmentally Appropriate Practice (DAP) – understanding how children develop and learn at each milestone.

It is our philosophy that early childhood should be a time of fun, warmth, security, exploring, and discovery. It is also a critical time for child to learn about respect, obedience, sharing, trusting - all the values that are endorsed in the Bible. When these values are ingrained in a child’s heart they will produce a good citizen in the future.

Our Curriculum

Noah’s Ark Christian Learning Center’s curriculum includes: exposure to letters, numbers, shapes and colors, basic concepts; Bible and life lessons; sharing and conversation time; stories, songs and finger plays; creative art activities and crafts; games and large muscle activities; field trips; food preparation; science and nature activities; and celebration of holidays and birthdays.

Our program is geared toward helping children develop habits of observation, questioning, and listening. It gives them an awareness of their own feelings and right to express them. They learn that they are free to make choices as long as they stay within limits of consideration for people and things.

As a Christian based daycare, we will be sharing stories and truths from the Bible.

We will also encourage the children to learn and enjoy the privilege of prayer.

Immunization Policy

Idaho Code Section 39-1118 requires that each child's record of immunization be on file within fourteen days of enrollment. These records must be updated as additional immunizations are received.

We do NOT accept unimmunized children.

Smoking

We are a smoke-free facility, including our parking area and playground. We do NOT have a designated smoking area.

Cell phones

Please, do not use cell phone in the center. If it's an urgent matter, you may finish conversation in the lobby, before entering the classroom.

Supplies

As we know, children can be messy and learning can be messy. Please be prepared as accidents happen, often at meal times or even to a potty-trained child. We expect parents to provide at least 2-3 changes of clothes for not potty-trained children, and at least one change of clothes for potty-trained children. We do not always have extra clothes. If anything is borrowed, please remember to wash and bring back to our center as soon as possible.

Also, all children need to come dressed weather appropriate (this includes proper shoes). We highly discourage and ask that you refrain from bringing sandals/flip-flops, shoes without a backside, or any boots with leather soles.

The parents shall see that the child is dressed according to weather conditions when brought to the center.

The parents shall provide the child with a clean small blanket and small pillow (which should NOT have any dog or cat hair) to use during nap time. It needs to be taken home every Friday and washed.

Illness Policy

The parents shall NOT bring a child to the center if in the last 24 hours child had:

- a fever of 100 degrees or higher
- diarrhea, or vomiting
- any rash (especially with fever)
- pink or red looking eye with white or yellow discharge
- greenish discharge when sneezing,
- head lice or nits, until after a letter from a doctor or professional is given stating that the hair is CLEAN from head lice and / or nits.

If (while in our care) the child will start having any symptoms from the list above OR

- if the child cannot participate in normal activities in his/her classroom
- if the child develops mouth sores
- if a child has an abdominal pain that continues for more than 2 hours, even if it is intermittent
- if a child has a severe cough or difficulty breathing (rapid or wheezing)
- if the child requires a greater level of care that we can provide without compromising the health and safety of other children

If any of this criteria are met, the child will be excluded from attending. Parents need to pick-up ill child **within 1 hr** of phone notification. An ill child shall be isolated from other kids and given appropriate care until child is picked up by a parent.

If the child was excluded from the child care center, he/she will be allowed to return to the center if:

- b) full 24 hours has passed since the last symptom that was the cause of exclusion

The center shall notify the child's parents of a suspected exposure to a communicable disease.

The parents shall notify the center of the child's possible exposure to a communicable disease.

Injury policy

The center shall give appropriate first aid to hurt children. A parent shall be contacted if it is the judgment of the staff that immediate medical attention is necessary. If the injury requires immediate emergency care, 911 will be called, and then parents will be contacted. Any medical, dental or hospital bills is the responsibility of the parents.

The center will maintain a parents' or caregivers' signed consent form agreeing to this provision. It is to your child's benefit that you keep the center up-to-date on phone numbers, emergency numbers, and other pertinent information.

Medication Policy

The parents shall bring physician-prescribed medication only in original pharmacy bottle or package, and fill out the Medication Form completely for every day that medication needs to be administered. The center shall have no responsibility for any adverse reaction caused by the administration of such prescribed medication.

Potty Training

All children must be fully potty trained before they can move into our Preschool 1 room and begin our preschool program. Potty trained meaning; self-initiated, accident free and in underwear for at least 2 weeks. Since every child is unique in how much time he/she will require to become fully potty trained, we recommend that parents will start diligently working on it as soon as child turns 2. This may help take off pressure from parents to have their child ready for our preschool classroom.

Some tips that may be helpful for parents include:

- Dress your child in clothes that he/she can easily take on or off.
- Consistency, be sure to let your child's teacher know anything you may be doing differently at home.
- Reward you child each time they try, even if nothing happens. (Praise, hugs, stickers, etc.)
- Encourage your child every step of the way, and be very patient.
- Allow your child to help pick out their favorite underwear (cartoons, sports, color etc.)

Child Guidance & Discipline Policy

Communication builds relationships and helps children develop. We will take a preventative approach to discipline to help teach children positive behaviors. Our goal is to provide children with the opportunity and motivation to make **good choices**, function independently, learn social skills through guidance, respect other children and adults, adapt to routines & rules and become responsible individuals. This program will focus on preventing behavior problems by providing an organized physical environment and a variety of age appropriate, adult-directed, and child-initiated activities. Whenever possible, children will be given the opportunity to make real choices about what they will do and where they will play. Teachers will give instructions or expectations for every activity.

The following is a basic outline of the child guidance procedures used in this childcare program:

- Positive methods of guidance, which demonstrate problem-solving skills and self-control, will be used
- Mental and verbal abuse, physical abuse (spanking, swatting, hitting, etc.) will never be used
- Children may be firmly- but gently- held to prevent them from harming themselves, others or property

Some basic rules that the children will be asked to follow in this day care are:

- No Hitting, No Pushing, No Biting
- No Name Calling, Respect the Property and Feelings of Other Children
- No Running or Loud Voices Indoors (use soft voice)
- No Fighting, No Play Shooting, No Sword Play, No Rough-Housing

If child makes a wrong choice, the following steps will be taken:

- A verbal warning, the child will be redirected to another activity if possible
- Natural & logical consequences are implemented (if a child misuses a toy, it will be taken away)
- Time-out will be used if the child needs to calm down or to be removed from a situation
- The teacher will fill out a Discipline report
- If child will not cooperate or calm down, he/she will be brought to the Office for a time-out in the "Principal's Office"

- If child will not cooperate or calm down, we will call the parent to help calm the child
- If child will not cooperate or calm down after the phone call, parent will need to pick up the child, if child is not picked-up within 45 min, he/she will be taken off schedule for the next day
- If child has to be picked-up second time from the office - he/she will be taken off schedule for the next day.
- If child has to be picked-up third time from office - he/she will be taken off schedule for 3 days. (Parent - office conference should take place before the child can come back to the center).

We reserve the right to not follow this procedure if; a child is in danger of hurting him/herself, other children or teachers; uncontrollable outburst of anger or rage, OR his/hers behavior is negatively affecting other kids.

If it is considered that the continued care of a particular child enrolled in the day care either

- detrimental to that child or the other children enrolled
 - is not in the best interests of the child is concerned OR
 - we do not have the cooperation of or have a good working relationship with the parents
- the contract for child care may be terminated by the provider at any time.

Most young children need naps or at least quiet time. Children in our 1 through 5 year old classrooms will be required to have nap/quiet time from 1:00-3:00 pm each day. Infants may have additional naps throughout the day depending upon the individual child. We will provide your child with a nap mat/cot. Parents should provide their child(ren) with a small blanket and pillow.
